Chairmen get 5 minutes to give informative information, and you get five minutes to ask questions about that program. At the bell, you move to the next chair. As you leave that chair, they will give you a paper about their information and any successful stories that they have gotten from successful projects. There will be time at the end of the mission to answer the question at the top of pyramid from National. Answer the question to receive a ticket in your division to be drawn at the Leadership presentation at Convention. You get communication handouts to take back and possibly one of the 5 prizes.
