

**American Legion Auxiliary, Department of Illinois Children
and Youth Christmas Gift Program-Form 3 Only for new
house facilitators**

Deadline to receive paperwork December 30th, 2026

To Whom It May Concern:

Thank you for your partnership with the American Legion Family. It is an honor for our organization to be able to supply, to your facility, gifts to all the children 18 and under as a small token of Christmas.

We are a non-profit organization and at any given moment we must provide and be accountable for all monies and gifts given out to our Veterans and to the programs which we sponsor for audit purposes. This gifting we provide falls under one of our children and youth programs.

When you receive our contribution, please fill out the form below and attach it with a small thank you note with your facilities name on a letterhead. We understand that so many administrators change jobs through the years and to keep everyone on the same page and our records correct we need this sent back to the post and unit who provided the gift to your children by **December 30, 2026** of each year. Sorry, if this can not be completed and returned to the American Legion Family, we will have to consider not being able to help gift those children the following year. Thank you for your cooperation. Thank you!
