**Fisher House** - Donations support the Hines Fisher House property both inside and out. Founded in 1990, a Fisher House is "a home away from home" for family members, caregivers or loved ones of patients receiving medical care at major military and VA medical centers. It is a temporary residence and is not a treatment facility, hospice, or counseling center. By law, there is no charge for any family to stay at a Fisher House operated by the Department of Veterans Affairs. It is named after the founders, Zachary and Elizabeth Fisher.

### **Hospital and Facilities – General Donation**

Separate accounts are kept for each facility. When you designate an amount for a facility that is where it is deposited. Funds not designated to a specific facility are used where the need is greatest. A representative is appointed to each facility by the Department President each year. She works with the Voluntary Services Director to fulfill wish lists and needs for comfort items. Donations fund many different things. Comfort items of clothing and personal care items top the list, but are not the only items provided. The Convention Book of Reports is an excellent source to learn how donations are spent.

### **The American Legion**

**Gifts to the Yanks** – Donations support items purchased during the Holiday Season for veterans in Illinois VA Facilities.

**American Legion Child Welfare Foundation** – Donations to this program support the mission of the Foundation to award grants to nonprofit organizations that contribute to the physical, mental, emotional, and spiritual welfare of children.

**TAL Commanders Special Project and SAL Commanders Special Project** - Just as with the Department President's Special Project, these are causes or programs that have significant meaning and members are given the opportunity to donate to and support.

### **ALA National Organization**

**ALA Foundation** - The American Legion Auxiliary Foundation positively impacts the lives of our veterans, military, and their families by funding programs of the American Legion Auxiliary today and for future generations. A donation to this program enables the Foundation to grant monies for Auxiliary projects. Members and Units can also run grants from outside sources through the Foundation as it has a 501c3 IRS designation.

**National Creative Arts Program** - The key purpose of the National Veterans Creative Arts competition and festival is to recognize veterans for their creative accomplishments and to educate and demonstrate to communities throughout the country the therapeutic benefits of the arts. The National organization is a co-sponsor of this event. All donations are sent from Department to National.

**National President's Special Project** - Self-explanatory. A donation to this program will be sent to National earmarked for the project she has chosen for her year.

Memorial donations can be made at the bottom of the snip sheet. Be sure to list the Auxiliary programs you would like the donation applied to. Also provide the full name and address if you would like Department to send a memorial card acknowledgement.
